We work closely with local independent restaurants so we can offer a wide range of catering options to suit your taste and budget. Please note that catering does not count towards your minimum spend or venue hire. Sample menus are available upon request.

Don't just take our word for it...

We've hosted many parties and events with great success. Here is just a selection of what our lovely guests had to say about their events with us...

TRACE

We booked Le Fez as a location to film one of our shoots. All the staff provided great assistance and care when needed from start to finish, from viewing and booking the location to help on the day. Le Fez is a great location, and we would definitely use it again in the future for filming and also to go for a night out with clients.

I have used Le Fez multiple times to hold events for Concierge Events. We wanted a location that visually represented the brand and Le Fez's stunning interior certainly does that. The process from start to finish is always a pleasure. The sales team work alongside us to ensure every fine detail is covered, as well as the staff who always deliver on service. Looking forward to holding many more memorable events at this venue.
