

let's get this PARTY STARTED

A Le Fez Christmas party will be a unique evening, within a venue full of mystery, intrigue and French-inspired glamour.

With two distinctly different vibes you can choose from the buzz of Le Club, enjoying infectious house tracks and party classics; to the alluring Le Jardin, our botanical haven where ambience rules and gilded birdcages set the stage. Luscious cocktail and a world-class spirit selection make Le Fez Christmases even more special.

We have a delicious selection of buffets and canapes menus, perfect for parties of 10 more. Alternatively we work closely with several local independent restaurants, please request a sample menu

Our private hire options offer the opportunity for a completely bespoke party, tailored to your requirements. From a private area for 20 to hiring the whole venue; we'll work with you to put on the best Christmas bash of the year!
